

## 4B Wu Wing Chi, Kitty

Hi Grandma,

Dad and Mum are going to have fun with me this summer holiday. I can't wait to explore different places in Hong Kong.

On Friday, we will go to the Hong Kong Cultural Centre. We will watch a ballet show and a concert because I love ballet and music performance.

On Saturday, we will go to Mong Kok first. We will go shopping in the shopping centre. Then, we will have lunch in a local restaurant. I like to try local food wherever I go.

On Sunday, we will go to Tai Po and visit the Hong Kong Railway Museum. I'm interested in studying the MTR history.

Love,  
Kitty
