

6B Lee Sen Yu, Eva

Once upon a time, Peter and Lucy lived in a small village. Lucy was as beautiful as a flower. Her hair was as soft as silk and her voice was as sweet as honey.

One day, a fierce dragon came to the village. It was as strong as a tiger. Its claws were sharp and its tail was long like a snake.

Suddenly, the dragon caught Lucy and flew away. 'Help me!' Lucy cried.

Peter was very scared but he was also brave. 'I must save Lucy!' he said.

On the way, Peter met a fairy. The fairy said, 'Take these magic biscuits. They have special power.'

Peter went to the dragon's cave. He saw the dragon and threw the magic biscuits at it. Suddenly, the dragon fell down.

In the end, Lucy was safe. 'Thank you, Peter!' she said happily. Peter and Lucy went home happily.
