Sing along!

Day 2

Learn the Months of the Year

Come and sing the months of the year along with me!

Come and sing the months of the year along with me!

January through December, it's so easy to remember.

If you sing the months of the year along with me.

We have January February, March,

April, May, June, July, and August too!

With September and October, our song is almost over,

Just November and December and we're through!
