

3B Book

Unit 2: My best friend at school

Who is your best friend in your class?

What does he / she look like?

What subject is he / she good at?

What does he / she like doing in his /
her free time?

Let's have an overall picture of p.16-17 ! Read a newsletter about two best friends.

My best friend is Kevin. I sit between him and Danny.

Kevin is a wonderful friend. He often invites me to his house. He always remembers to give me a spoon

because I am not very good at using chopsticks!

Kevin is good at Chinese, Maths, Visual Arts — everything! He often helps me with Chinese.

Kevin is a great friend!

By Oliver Smith (3B)

Oliver is my favourite classmate. He sits on my right.

Oliver is a good listener. When I have a problem, I talk to him and I feel better.

As Oliver says, 'A problem shared is a problem halved!'

Oliver is really good at English but his Chinese is not very good. I speak Chinese with him every day.

Oliver plays hockey and I like table tennis. We have our own game called 'ping pong hockey'.

I am glad Oliver is my friend.
