Edward is reading some news. Blacken ● the circles next to the best answers for Q1-5 and fill in each blank with ONE word only for Q6.

Hong Kong Morning Post		Wednesday, 15th April 201X	
Miniatures on Display By Daniel Lewis			
5	<p>The young French artist Marie Chirac, well-known for making miniatures of famous buildings, is going to have an exhibition in Hong Kong. Marie, aged 29, is the winner of many prizes in France and various countries in Europe.</p>	<p>suspension bridge over Ma Wan, is Marie's longest model. It is 2.5 metres long, more than 550 times shorter than the real bridge.</p>	20
10	<p>The exhibition will be held from 2nd May to 12th May at Royal Shopping Mall in Taikoo Shing, from 10 a.m. to 9 p.m. each day. The collection on display will include models of some record-breaking constructions in Hong Kong, such as the ICC (International Commerce Centre). The ICC is 484 m tall and the tallest building in Hong Kong.</p>	<p>This is Marie's third trip to Hong Kong but her first exhibition here. She will attend the opening ceremony and the book signing activity in the morning on the first day of the event. Visitors are welcome to bring their own copies of Marie's latest book 'Amazing Buildings in the World'. She will also present prizes to the winners of the Hong Kong Art Competition at the same venue. For more information about the exhibition, please visit</p>	25
15	<p>Marie's model of it is 2 metres tall, the tallest in her collection. The Tsing Ma Bridge, the world's longest road and rail</p>	<p>http://www.mariechirac.comx or http://www.royalshoppingmall/newsx, or call 7896 2445.</p>	30
