3

Read Jessica's scrapbook.

All about me - then and now!

Jessica Lai

Newborn

Eight years ago I was a baby. I was tiny. I was only 3 kg. I had no hair. Now I am big and tall. I am 132 cm.

Now

1 year old

I tried a banana for the first time. I was very excited. It was really yummy! I still like bananas! I like banana milkshakes, banana pancakes, banana muffins ...

14 months old

I walked for the first time. Mum was really surprised. My legs were wobbly then. Now my legs are strong. I often go hiking with my family. Last weekend we walked 8 km!

Now

2 years old

Six years ago I got a little sister. I was jealous because Mum and Dad were busy with the new baby. Everyone just hugged and kissed her. I was sad and I hated my sister! But one day she smiled at me for the first time! She was so cute! Now my sister and I are best friends. We share everything.

My baby sister

Now

Now

3 years old

Five years ago I started kindergarten. I was worried because everything was new. I cried and cried when Mum waved goodbye. Now I love going to school. I enjoy seeing my friends and learning new things.

Do you have similar experiences to Jessica?

Today we will read Jessica's scrapbook to find out how different she is now than she was then.

Newborn

Now

Do you know what a scrapbook is?
A scrapbook is like a photo album.

It has blank pages inside. You can stick photos and write about your memories.

This is Jessica's scrapbook. What is her scrapbook about?

All about me - then and now!

Jessica Lai

and tall. I am 132 cm.

She was so cute! Now my sister and I are best friends. We share everything.
